

## Adele - Set fire to the rain

Intro: Dm | F | C | Gm |

Dm F  
 I let it fall, my heart,  
 C Gm  
 And as it fell you also claim it.  
 Dm F  
 It was dark and I was all right,  
 C  
 Until you kissed my lips and you saved me

Dm F  
 My hands they're strong,  
 C Gm  
 but my knees were far too weak,  
 Dm F  
 Stand in your arms  
 C  
 without fall into your feet,  
 Bb Gm  
 But there's a side to you that I never knew, I never knew.  
 Dm  
 All the things you say that where never true, never true,  
 Bb C  
 And the games you play, you always, always win.

Dm  
 But I set fire to the rain,  
 C  
 Watch it pour as I touched your face,  
 Gm  
 Let it burn while I cry,  
 Dm C  
 Cause I heard it screaming at your name, your name!

When I'm with you  
 I could stay there,  
 Close my eyes, feel you're here forever,  
 You and me together, nothing is better!

Cause there's a side to you that I never, never knew,  
 All the things you say that where never true, never true,  
 And the games you play, you would always, always win.

Dm  
 But I set fire to the rain,  
 C  
 Watch it pour as I touched your face,  
 Gm  
 Let it burn while I cry,  
 Dm C  
 Cause I heard it screaming at your name, your name!

Dm  
 I set fire to the rain  
 C  
 And I feel lost into the place  
 Gm  
 And it felt something die,  
 Bb C  
 Cause I knew that that was the last time, the last time!

Bb F\A  
 Sometimes I wake up by the door,  
 Am C  
 And heard you calling, must be waiting for you,  
 Bb F\A  
 Even that when we're already over,  
 Am C  
 I can't help myself from looking for you

I set fire to the rain,  
 Watch it pour as I touch your face,  
 Let it burn when I cry,  
 Cause I heard it screaming your name, your name

I set fire to the rain,  
 And I feel lost into the place  
 And it felt something die,  
 Cause I knew that that was the last time, the last time!
